

**THRUXTON NEIGHBOURHOOD DEVELOPMENT PLAN (NDP)**

Dear Parishioners,

One of the things we have to produce for the NDP is a Vision. This is a short paragraph that sets out, in very general terms, what we are hoping to achieve. It is supposed to be aspirational and positive. The Parish has to be consulted on what is proposed, so please find below (in italics) our draft vision as approved by the Parish Council. Please tell us what you think.

*“Thrupton Parish will preserve and enhance the diverse landscape and heritage that are manifest in its rural feel and character; a place where people of all ages and backgrounds can enjoy living in a safe, friendly and tranquil community.”*

Can you please send any comments (agree/disagree/views on wording etc) to

1. Any member of the Parish Council (contact details on village website),
2. Kate Phillipson [772875/kphillipson@btinternet.com](mailto:kphillipson@btinternet.com)
3. David Griffiths (Thrupton Farm) and Alan Leslie (Thrupton Down)
4. Slips (below) can be put in the drop box at the Hall (from 7<sup>th</sup> Nov) or in the porch at 15 Beech Close, Thrupton.
5. Comment on the village Facebook page.

Closing date for comments/feedback is the 20<sup>th</sup> November 2016.

We are also looking for volunteers to join small working parties to look at certain topics within the NDP. If you have an interest/expertise in any of the areas and can help us gather information and develop policies on one of the following areas please contact Kate Phillipson (details above) in the first instance:

1. The Economy of the Parish .
2. The Environment (including landscapes/flora/fauna/pollution/trees etc),
3. Leisure.
4. Infrastructure.
5. Heritage

Thank you for supporting the PC and the Steering Group.
