1. The minutes of the meeting held on the 9 May were approved.
2. The minutes of the meeting of the 11th June were approved save for the request that the timetable (as explained by Donna Moles) is inserted.
3. The vision statement was discussed at length. No agreement was possible. Members were asked to review the existing draft and circulate their views. A tight timetable was needed if the proposed vision was to be circulated to the Parish in the TT.
4. Re Land being made available for solar energy (i.e. solar farms)- the feedback at the fete (majority in favour) reflected the survey and validated that result.
5. A hard copy of the survey results will be required in due course.
6. The children's comments from the fete had been written up and circulated.
7. Steve suggested library of resources should be prepared.
8. Land Appraisal – this is to follow on from the place check. Areas will stay as for the place check. Large gardens should be considered.
9. TVBC have their liaison officer in place – Lisa Pearce.
10. KP to liaise with Lisa to identify stat. bodies/others that should be contacted.
11. Heather to be asked for the PC declaration of interests form to see if is similar to that provided by Ms Moles.
12. Meeting closed
